

A\$\$ETCARD® PAYROLL CARD

As a small business/organization, today's employers are probably paying out hundreds if not thousands of dollars every month in payroll dollars with very little going back to the communities you serve. CIP Corp. is the Premier "GIVE BACK" Corporation that has captured the power of giving into an unique Community **A\$\$ETCARD™** that benefits multiple partners all at the same time. The **A\$\$ETCARD®** Payroll Card offers you the following benefits:

- A. Reduced Overhead – Save on the cost of checks, i.e. issue charges, couriers, cancellations and fraud.
- B. Be an employer who cares – Create employee / affiliates loyalty by initiating a hassle free approach to payroll. Eliminate check cashing fees for your unbanked employees and provide worldwide access to funds in real-time.
- C. Mobile Banks – Create a flexible banking environment for unbanked and underbanked employees and / or affiliates with a card that offers multiple and practical financial services.
- D. Support your community – When using the **A\$\$ETCARD®** you encourage your employees to not only benefit from the card features, but to "GIVEBACK" seamlessly.
- E. Real Time Tracking – We have the ability to track every transaction coming through our processing system in real-time and can provide detailed reports to document the level of card usage in your business/organization.
- F. Branding – We can provide cards with the identity of your company on them, in order to remind your employees and affiliates of their commitment to you and their community, every time they choose to use their **A\$\$ETCARD™** over cash or other cards.
